

SOURCE: County Road Capacity: LCTIP  
 Roads, Railroads and Water Features: USGS  
 County Boundaries: IL DNR IGIS

NOTE: The IL 83/US 45 with US 12 Alternative would result in a net increase of 13 lane-miles of additional capacity required on county routes by the year 2020 compared to the No-Action Alternative.

- Legend**
- County Boundary
  - +++++ Railroad
  - Road
  - No Change in Lane Deficiency
  - Additional Lanes Needed
  - ADT Reduction - No Additional Lanes Needed
